

THE ULTIMATE RV CLEANING SYSTEM

MotorScrubber

Scrubber head swivels from 0°-70° and can be locked into position!

De-bugs windows, light fixtures, mirrors and more. MotorScrubber telescopes to 8.5 ft. for an incredible 13 ft. reach!

The MotorScrubber™ RV Cleaning System includes the scrubber head & handle, backpack & battery, 5 ft. coil cord, padholder, battery charger, complete operating instructions, and 12-month warranty.

PLUS! A full line of accessory brushes & adapters (see back) are available for any job!

MotorScrubber makes quick work of wheels, tires, and wheel wells. Soft brush is ideal for glass and painted surfaces.

12-volt rechargeable backpack battery is lightweight (only 6 lbs.) and provides up to 4 hours of "start & stop" use on a single charge

Standard 5 ft. coil cord shown. 25 ft. Utility Cord, DC Adapter, and Battery Post Adapter are also available. (See back)

Lightweight (only 3 lbs.) with comfortable "soft-grip" handle

Safe to use in and around water!
